EVIDENT

100% Rental Credit Special*

New Offer: For a limited time, receive a maximum of 100% of one month's rental credit applied toward your purchase of Evident inspection equipment. This special offer is available on our extensive rental inventory of flaw detectors (UT, PA, EC), thickness gauges, video borescopes, and X-ray fluorescence (XRF) analyzers.

Rent 24/7 directly from EVIDENT

Receive the newest equipment loaded with the latest software for your application.

Designed for you

Do you need to add an additional instrument for a short-term project?

Do you need an instrument for several months?

Do you need an instrument your team has experience with to speed up a project without a learning curve?

Would you like to evaluate a new instrument in a real-world application before you purchase?

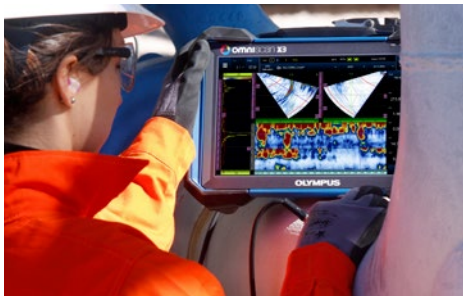

Evident will work with you and put together a program to meet your specific requirements.

Benefits of renting from EVIDENT

- Available to meet your needs 24/7
- Cost-effective short-term solution
- Attractive rental rates and programs
- Latest equipment, latest software
- No maintenance or calibration costs
- Rent for a day or for months to fit your specific requirements
- Know the exact cost for the duration of your project
- Rental credit options available toward a future purchase
- Rent, lease, or purchase from the same source
